## **Double win for Morgan Sindall's New Entrant Talent Programmes**

Our Graduate and Apprentice programmes have been recognised with a double win at the Job Crowd's Top Companies to Work for Awards. Morgan Sindall's programmes were placed first in the Construction and Civil Engineering category, ahead of other industry competitors.

In the awards, voted for by Graduates, Trainees and Professional Apprentices; Morgan Sindall was praised for its commitment to learning and development, culture and sustainable market growth plans.

Morgan Sindall also scored strongly in the wider industry rankings, with our Apprentice programme rated second out of 50, whilst our Graduate programme also showed significant progress coming 29 out of 100 for all industries - up 21 places from last year's awards.
