

Be Brave Bears charity donation West Cumbria

Morgan Sindall and Arup sponsored 50 personalised keepsake bears via the Be Brave Bears charitable organisation to help bring a small amount of enjoyment to children with a terminal illness or with life limiting conditions.

Each Be Brave Bear is sponsored by a business, groups or families, meaning these personalised bears are free of charge to the children. Receiving no financial support, this organisation is run solely on the good will of local volunteers. Once the bear is personalised it is placed in a special keepsake bag and given to the child with a numbered certificate.

Enhancing communities

- Supporting children with a terminal illness or life limiting condition.
